

Where to from Here?

Now that the Old Baynton St. Primary School has been saved from sell-off, we have an opportunity to keep it in the hands of the local community. The Kyneton and District Co-Op has been formed by residents to utilise the school precinct for community activities.

What is the Co-Op vision?

- Affordable, or freely available, indoor and outdoor space for a broad range of community groups and community activities.
- Maintenance and protection of heritage values.
- A place of collective belonging and connection.
- Open, accessible, and flexible public space.
- Shared community responsibility based on control of the precinct by a democratic organisation.
- Support for community driven and socially worthwhile initiatives.
- Strongly engaged community across all age groups to promote broad inclusion.
- Commercial use of the precinct by the Co-Op to create cash flow for the nurturing, and the promotion, of public good and benefit.
- Aim to meet everyone's needs without harming the living world or the prosperity of future generations.

Cooperative Principles

- 1. Cooperatives are based on values of self-help, self-responsibility, democracy, equality, equity, and solidarity*
- 2. Cooperative members believe in the ethical values of honesty, openness, social responsibility and caring for others*

The important question the Town Square Co-Op will ask the community is.... **"How can we help you?"**

The flip side for all of us as individual members of our community is.... **"How can we all contribute so the Co-Op can strengthen, and facilitate, its helping role."**
